**Ivanna Capron Joins Odyssey Aviation in Preparation for
Expansion and Expected Increase in Traffic**

Nassau, The Bahamas (September 17, 2014) – Ivanna Capron has been named Customer Service Manager for Odyssey Aviation Nassau. Ivanna is principally responsible for operations of the Customer Service Department, but she will also play an integral role in ramping up service excellence and process efficiencies at a time of growth on the island.

Ivanna is a staple in the hospitality industry having held numerous positions at The Atlantis in Nassau. Her areas of expertise include operations, customer service and VIP services. In her new role, Ivanna will report to William Holowesko, General Manager of Odyssey Aviation Bahamas working alongside a strong team committed to maintaining Odyssey's world-renowned brand.

Ivanna's addition was strategic for Odyssey Aviation and comes at an exciting time for the FBO. "We have been looking for someone of Ivanna's caliber to help manage our Customer Service Department in a time of growth," says William Holowesko, General Manager of all Odyssey Aviation locations. "We are expecting an increase in traffic due to the opening of a new mega hotel and casino complex to be known as Baha Mar in the spring of 2015. Approval has been received to expand our ramp, in addition to building a second hangar." Our existing hangar recently began housing a regular client with a G650.

Baha Mar is a 3.4 billion dollar development that boasts the largest casino in the Caribbean region. It will feature an elite collection of luxury hotel brands, including the centerpiece of the resort The Baha Mar Casino & Hotel as well as a sophisticated Grand Hyatt, luxurious Rosewood and an ultra-chic SLS LUX. Amenities will include an 18-hole, 72-par championship Jack Nicklaus Signature Golf Course, state-of-the art convention facilities, ESPA at Baha Mar spa and over 40 restaurants and bars as well as exclusive designer retail boutiques. Baha Mar is located on 3,000 feet of white-sand beach, located just ten minutes from Lynden Pindling International Airport. The property is expected to draw the attention of high-rollers from around the world.

Expansion and growth call for strong management. "We have done a reasonable job of managing our Customer Service department within our ranks for years. We knew there would come a time when we would have to find a talented and strong leader to assume responsibility for all aspects of the department. We are confident that Ivanna is a perfect fit," says Steven Kelly, President of Odyssey Aviation.

"I feel privileged to be working with a company of Odyssey's excellence. I look forward to the new challenges that this will present to me, and to working with the rest of the management team to support Odyssey's growth," Ivanna commented.
